## Office Action Summary

Art Unit: 1617

Under PCT restriction practice claims wherein there is a <sup>u1</sup> unity of invention shall be considered as a group. Claims have a unity of invention when they are linked by a special technical feature. Thus composition, method of making and method of using claims directed to the same invention. Are examined together. However, applicants claim plural compositions comprising one or more different polymer matrices. Each polymer matrix constitutes ~~because a~~ <sup>1</sup> unique special technical Feature <sup>because</sup> <sup>based on its structure. Thus,</sup> each polymer possesses unique properties applicants must elect <sup>1</sup> one ultimate polymer matrix for examination.
